

SUMMER COMES EARLY FOR DAM SWIMMERS

by Michael Collins

Andrew McPherson, 47, led the contingent of 19 swimmers from the Davis Aquatic Masters (DAM), at the United States Masters Swimming (USMS) Short Course Nationals in Tempe, Arizona, May 13-16. McPherson won four events including the 200 IM in which he set a new USMS National Record with a time of 2:03.80. McPherson also set a Pacific Masters Record in the 400 IM with a time of 4:34.96.

Susan Munn, 55, set a Pacific Masters Record in the 400 IM with a time of 6:31.50. Munn also set new Davis Team Records in the 1,650 Free (23:43.92) and 200 IM (2:55.57).

I was really pleased with how everyone did. We placed 16th in the Combined division, 16th in the Men's Division, and 21st in the Women's. The team took home 6 first place finishes, 24 top 5 finishes, 56 top 10

finishes, and we broke 38 team records during the meet. It was extremely hot throughout the meet - over 100° de-

grees, but everyone did a good job of taking care of themselves and staying in the shade. I was happy to see our swimmers still swimming fast the last day of the four-day meet. It's tough to get up and go when you're so drained, both physically and mentally from such a long meet. In addition to our experienced swimmers doing well, we had some newcomers do really well too. Linda Hood and Gayle BonDurant each had three lifetime best swims, and Jennifer Collins had four. Also, our

older relays did placed well.

Next year Short Course Nationals will be in Ft. Lauderdale, FL. Several people have already committed to going. If you are interested, don't be afraid to ask—swimmers all abilities are welcome!

Pertinent Information

DAM Dues: \$30.00 (\$25.00 for Senior Swimmers 65 or over) monthly due before the tenth of the month

Late Fees: A late fee of \$5.00 is added if dues are paid after the tenth of the month.

Leave of Absence Fee: \$2.00 per month

Re-enrollment each Quarter is mandatory

Late Re-enrollment Fee: \$2.00
(Next re-enrollment period is Summer Quarter, June 24).

Reenroll Now

Summer is coming, and with that comes vacation time—vacation from school, from work, from Davis. If you plan to swim when you return, you should consider going on leave. To request a leave, write me a note indicating which months you will

Treasure's Tips by Barb Paulson

be gone. You *cannot* take a *partial* month leave! Include a check for \$2.00 per month of leave. This will save you the \$5.00 initiation fee charged to all new members. (New members include those who have dropped out for any period of time as well as those who have never been members before.) It will also preserve your priority number so that you have a better chance of swimming at your preferred time when you return.

The newsletter will be mailed to the address that I have for you. Please let me know your summer address so that you will receive the newsletter. Be sure to update your address when you come back in the fall—there is a place on the re-enrollment form. If you will start swimming in October, try to pick up a re-enrollment form between

September 12th to the 23rd to reenroll. If you won't be here yet, just drop me a note at P.O. Box 921 letting me know the time you want to swim. If you do not get a re-enrollment form turned in on time, you will be un-

assigned if you were on leave for the month of September. If you have any questions about the leave policy, call me at 756-4234.

Re-enrollment for Summer quarter is coming! The forms will be out by June 13th and due back by June 24th. Be sure to reenroll. And when you pick up a re-enrollment form, why don't you get a grocery scrip order form and order grocery scrip for the month of July. The due date for the order for July is June 30. I send out the scrip as soon as I receive it or as soon as I get your check. If you need some now, I order extra, so just fill out a form and drop it in the box with your check, and I should be able to get you the scrip within a couple of days.. \$

An Easy Way to Contribute to DAM

Just use your phone!

Everytime you make a long distance phone call, you can make a contribution to DAM. This is one of the simplest and most consistent ways you can donate without actually digging into your pockets! Every time you make a long distance call 7% of your phone bill goes to DAM. If you have a business with a phone bill of \$100 dollars or more per month 5% of your phone bill can be contributed to DAM. Your phone bills will not go up, in fact they should be very competitive or less than your present carrier.

Your long distance statement each month will be included in the same bill as your local carrier (Pacific Bell). Calling cards are available for free and it's free so switch! Two DAM members, Verne Scott and Laurel King have been using the Care Network program for over two years and have been pleased with the services and rates.

An application is available at the pool and look for it in the newsletter again! If you have any questions, please call Laurel King at 666-5674

FINALS Outstanding Performance of the Month

by Michael Collins

You may be tired of hearing this guy's name in this column, but he keeps going above and beyond the realm of mortal man. At the Pacific Masters Championships in mid-April Andy lunged for the wall at the finish of the 100 Free and found the wall closer than expected. His middle finger hyperextended and popped. OUCH! Andy iced it all the way back to Davis before going to the hospital. He was expecting a broken finger. However, after spending 5 hours in the emergency room at Sutter Davis, Andy learned the "good" news. He hadn't broken his finger, but rather had torn the tendon — which takes twice as long to heal. "There goes Andy's Nationals," I thought. But Andy didn't give up. He carefully taped it to a splint to protect it while swimming. Occasionally he would knock hands with someone in an adjacent lane causing severe pain. But I never heard him complain or make excuses.

At Nationals Andy set the tone the very 1st event by winning the 100 Fly in 54.31, just missing the USMS record by .03. In the next event Andy came back and won the 100 Free in classic Tasmanian Devil (fast turnover rate) form. But he wasn't done yet. Andy finished off the day with a new USMS record in the 200 IM with a time of 2:03.80. Not bad at 47! He also went on to set a new PMS record in the 400 IM with a time of 4:34.96 in the very last event of a loonngg HOT meet. Never count the TAZ out!

Swimmer of the Month Xiao Ye

By Susie Hansen

The June Swimmer of the Month is Xiao Ye. She swims at 6:00 AM, six days a week, and loves it! Ye is a relative newcomer to DAM, having joined this past December, but she is already noted for being a positive influence to those around her.

Ye became a DAM swimmer because she needed a low impact exercise. Chronic knee pain had convinced her that she needed to change her exercise from jogging and aerobics. "Good exercise without injury" is how she describes swimming.

Ye feels that DAM's overall program is good. When she began swimming in December she only knew the breaststroke, but now she can swim all four strokes. "Swimming is really fun and puts me in a good mood". She also says that she finds herself smiling more than she used to and attributes it to her swimming.

A Bronze Contributor Member of DAM, Ye says that the program has helped her a lot and it's her way of showing her appreciation.

A resident of Davis for five years, Ye is about to receive a Ph.D. in Agricultural Economics. She plans to go into research rather than teaching. Currently, she is a part-time economist for the California Energy Commission. While she hopes to continue living in Davis, Ye may move to Washington D.C. after graduation ceremonies, if she is offered a position there.

DAM TRIATHLETE OF THE MONTH

Vince Fong

What an attitude! Vince is one of the most positive people on our team. I have never heard him say anything negative during workout. He encourages others to do well, and puts out his best effort on a daily basis. His positive attitude and work ethic have certainly paid off as he has had incredible improvements in his swim times. Consequently, he has moved up in the placings at his last two races. In the Wildflower Ironman Qualifier race Vince finished in 4:44:02. And more recently Vince finished 5th overall in 56:24 at the Old Sacramento Triathlon. Look for Vince to continue to move up the the triathlon rankings in the future.

The Triathlete of the Month is a new feature in this newsletter and will run through September thanks to the donation of Richard Strohl, Certified Massage Therapist. Richard is donating a free massage to each month's recipient. Contact him about appointments at 756-5087.

HAPPY BIRTHDAY!

Yes, you get special treatment from the Coaches of DAM on your special day! Just remind Coach Don or Mike, and you and your lane mates get to do The Birthday Set!

A Very Belated But Heartfelt Thank You!

To all of you who contributed to the "Wedding Tandem" for Mike and Jennifer Collins, THANKS A LOT! We both agree, of all the gifts, this one will most likely promote the most togetherness and truly test our relationship. We didn't start riding it until this spring, as we are both somewhat wimps when it comes to cold weather, but we're quickly making up for lost time! We are doing the Vineman Triathlon on June 12 on the tandem (Jen will swim, both will bike and Mike will run) and a Tandem only bikerace, the Duet Classic, in Eugene Oregon over the July 4th weekend. Whew! Hopefully we'll both come back in one piece and no broken bones. Thank you all!

1994 Santa Clara LC Invitational Results

Over 350 swimmers from around the world came to compete in the 1st Annual Santa Clara Long Course International Masters Meet, held May 27-29 at the Santa Clara Swim Center. Weather conditions were perfect for a fast meet—mid 80's and sunny. Seven DAM swimmers participated, breaking 21 DAM records and 1 PMS. Leading the record breaking charge was Susan Munn, 55, who set team records in 7 events (50, 200, 400 Free, 100 Breast, 100 Fly, 200 Back, & 400 IM). Her 100 Fly time of 1:35.87 also broke the PMS record of 1:36.26. Emory Haworth, also competing in the 55-59 age group was the top record breaker for the men, setting 5 new marks (50, 100, 400 Free, 50 Breast, & 50 Fly). Other DAM competitors included Christine Schultz, Jennifer Collins, Joyce Haworth, Michael Collins & Andrew McPherson.
